ELMORE — Eastwood High School's boys track and field team swept a Northern Buckeye Conference tri-meet Tuesday night.

The Eagles won nine of the 17 events and totaled 94.5 points to defeat Elmwood with 41 and host Woodmore with 39.5.

Freshmen and sophomores played a large role in the Eastwood victory. The Eagles won six individual events, with four of those victories going to freshmen and a fifth win going to a sophomore.

Eastwood also won the 4x800, 4x200 and 4x400 relays. Seven of the 12 legs on those relays were filled by sophomores, and three more were filled by freshmen. One junior and one senior accounted for the other two legs.

The Eagles added 10 second-place finishes, six third-place finishes and nine fourth-place finishes. The top four finishers in each individual event scored team points, while the relays awarded points to the top two finishers.
